

Aerogen®

Pioneering Aerosol Drug Delivery

Inhalation Therapy in Critical Care

Tuesday Sept 15th, 2020
11.00 - 11.45 CET

Join leading critical care experts for a discussion regarding the delivery of inhalation therapy to patients receiving both ventilatory and non-ventilatory support in the era of **COVID-19** and how to **implement best practices** for optimal patient care.

AGENDA

INHALATION THERAPY DURING NON-VENTILATORY SUPPORT

*Professor Stephan Ehrmann, MD, PhD
France*

INHALATION THERAPY DURING VENTILATORY SUPPORT

*Professor Geoff Bellingan, FRCP, PhD
UK*

Q & A AND CONCLUDING REMARKS
